April 2019

**St. Lawrence Catholic Elementary School**  
**Catholic School Council Pasta Supper 2019**

Dear Parents,

As was indicated in the April newsletter, our Catholic School Council will be hosting its third annual Pasta Supper event on **Tuesday, May 7, 2019**. All families belonging to our school community are invited to attend. Dinner will be served in the gymnasium from 5:00 p.m. – 7:00 p.m. The Pasta Supper will serve as one of the Catholic School Council's fundraisers for the 2018 - 2019 year. All money raised will go towards offsetting costs relating to school resources and equipment.

Tickets cost \$10.00/adult and \$8.00/child. Children at the age of four and younger can eat free. There will be plenty of pasta to go around. The pasta and meatballs will be served buffet style. Families can go up for multiple servings. Drinks will also be provided. Kindly fill out the cut out portion of the attached flyer to indicate how many people in your family will be attending. Please have your child(ren) return that form along with the money to their teacher. Kindly note that flyers can be printed out from our school's website. All orders should be placed by Tuesday April 30, 2019. Kindly note that tickets can be purchased using the School Cash online system ([www.schoolcashionline.com](http://www.schoolcashionline.com)).

During the dinner, members of our Catholic School Council will be running fun activities for the students to enjoy. Prizes will also be raffled off. Representatives from the Rising Stars Program will also be there to coordinate fun family activities that promote physical literacy, sportsmanship and leadership building. We thank the facilitators from Rising Stars who will be graciously donating their time and energy to compliment this great event.

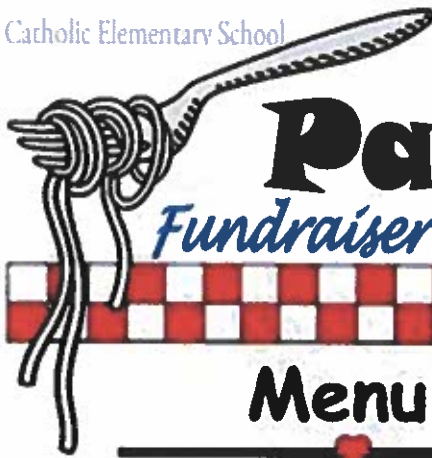

Success for this event rests on the engagement of our parents. We hope to see as many families as possible take part in what promises to be a relaxing and fun evening for everyone to enjoy.

Sincerely,

Mr. Di Martino  
Principal
